# Save Your discomfort

## Lifting lumbar support

The broad shaped cotton lifting waist support provides effective support for the waist and fully relieves the pressure of muscles and spine

## Lifting headrest

More comprehensive head, waist and shoulder support, vertical lifting structure to meet the needs of more different heights

## Heavy tilting mechanism

135° tilt structure, natural leaning, relaxed, stable and reassuring

Design, perceive the  
future

We have been carefully grasping the use of  
lines and materials, and strive to reflect different  
structural beauty from every angle.

It's not only the appearance responsibility, but also a better comfortable experience. Those who really care about you never make superficial efforts.

**Every need of the body should be taken care of.**

## Supervisor chair

Seat lifting

Head restraint lifting function

Lifting of lumbar support for better fit

3D armrest - lifting, rotating, sliding back and forth

Multi gear locking - self weight tilting mechanism

Sitting depth adjustment function

## Task chair

Lifting of lumbar support for better fit

3D armrest - lifting, rotating, sliding back and forth

Synchronized Tilting & Auto Tension Control Mechanism

with 3-Position Locking

Sitting depth adjustment function

## Support in place is really comfortable

S-shaped curve and close to back design make sedentary enjoyment. Stick to the back and support the spine to evenly disperse the force and support the waist and back to relax naturally.

**GEECO**

Healthy support, become your second spine

## Carefully select materials, full of confidence

High quality high elastic imported breathable mesh fabric, after waterproof, oil proof and antifouling treatment, meets the American bifma test standard, and the wear resistance times are more than 100000 turns
