在不断更新的办公环境和办公空间中，诺奇系列以自己的设计哲学出发将传统、固定的办公空间转换成立体化的理想型空间，使每一个产品的设计都可以改变办公多一点，再多一点。

In the constantly updated work environment and office space, Noqi series starts from its own design philosophy to transform the traditional and fixed work space into an integrated ideal space, so that the design of each product can change the work more and more.

集美观、舒适、实用为一体，不仅便于工作洽谈，同时也能更好的为办公空间增添强烈的美感冲击。集中体现办公家具设计的基本原理。在功能与形态、功能与人体工程学、功能与科学、技术与材料之间体现出唯美的办公关系。

With combination of beauty, comfort and practicality, Noqi series is not only convenient for work negotiation, but also can add a strong aesthetic to office space. It greatly shows the basic principles of office furniture design and emerges a charming office relationship by its function and form, function and ergonomics, function and science or technology and materials.

Executive Space

The extensive use of straight-grained brown walnut color and white makes the product concise and decent. The multifunctional locker expands the office space, compartments, storage, and privacy, and can store commonly used books, documents and personal belongings. As a new talent of the future, Noqi series changed itself from "office style" to "self-working style" and turn the page of the city once again. Spreading highly personalized and diverse work forms to different companies, building unique and exclusive individual spaces for different styles and creating a completely different designation!

直纹咖啡胡桃木和白色的大量使用，使产品简洁大方。多功能储物柜扩大了办公空间，隔层、储物、私密，可放置常用书籍文件及私人物品。从“办公风格”走向“工作人设”，诺奇系列这个未来新秀，为城市再一次翻页，向不同企业输出极具个性的多样工作形态，为不同风格主张塑造独特的专属个性空间，创造截然不同的创意思象！
